2012-02-17 PRESS RELEASE

G5 extends its offerings to Nook platform

By popular demand, leading casual games publisher G5 Entertainment, today announced that it will extend its game offerings to Nook Color and Nook Tablet. First games scheduled for the Nook platforms include: *Stand O'Food*, *Supermarket Mania* and *Mahjongg Artifacts*. These award winning games have already won the hearts of tens of millions of players worldwide and are perfectly suited for the Nook.

Upcoming games:

Stand O'Food is an original fast paced strategy game where you have to feed a host of hungry patrons before they leave your restaurant in a huff. Further information is available at http://www.g5e.com/games/stand_o_food_nook. The game was developed and published by G5 Entertainment.

Mahjongg Artifacts is a highly addictive tile-matching game with tons of content that will keep you entertained for hours. Further information is available at http://www.g5e.com/games/mahjongg_artifacts_nook. The game is developed and published by G5 Entertainment.

In *Supermarket Mania* you have to help Nikki run five distinct stores, stock over a dozen products, serve seven types of hard-to-please customers, and earn enough money to purchase over 20 accessories and upgrades that will help you turn your enterprise into success. Further information is available at http://www.g5e.com/games/supermarket_mania_nook. The game was developed and published by G5 Entertainment.
